One person will swim, one person will cycle and one person will run the same distance as the single starters, i.e. 400m swimming, 20 km cycling and 5 km running. The transponder will be handed over in the transition area and in transition area two also the start number in a designated area. The same rules apply on the course for the relay teams as for the individual starters. A relay can be formed not only by three but also by two persons, the division of the distances is not relevant according to DTU regulations.

### Directions

Take the A3 Nuremberg/Würzburg freeway and exit at Frauenaurach. From Erlangen, drive through Niederndorf to Herzogenaurach. After Realschule and Brunnen turn left into Ansbacher Straße (see map). From Neustadt via Münchaurach and Falkendorf to Herzogenaurach. At the fourth traffic light turn right into Ansbacher Straße. For everyone then: After approx.400m you will find the triathlon parking lot in Ansbacher Straße at the festival area. Walk into Damaschkestraße (opposite the entrance). After approx. 20m turn left into the street "zum Schwalbennest". Here you will find the bike/run transition area at the end of the street. The bike/run transition bag can be placed in the transition area by yourself. If needed, helpers will hand out stickers for this bag.

From the TSH area ride your bike to the main entrance of the outdoor pool (400m) as shown in the map. Please take the swim/bike exchange bag as well.
